'All we have to decide is what to do with the time that is given to us.' – Gandalf the Grey

Some good stories begin with, "Once upon a time." This one begins with hectic preparation and last minute glitches that give cause for one to think, "...why are we doing this? Why don't we just fly up to Queensland for a lazy holiday beside the beach." Well, to heck with that. We are going overseas and we are going to enjoy ourselves - everybody says so. Only 3 sleeps to go. Next time I post, it will be from London!

Have you tried to update this from a tablet? Cos I had to open the lappy to comment as the CAPTCHA do-hicky wouldn't work. Looking forward to be able to share one of the Greatest Cities with you and Anna. Warning - make sure you have comfy shoes, you are going to be doing a lot of walking (if I have my way)
